SUBJECT : Spares for Three Channel Data Reduction Equipment

REFERENCE : (a) Memorandum SAPC 22669 of 26 December 1957  
(b) Memorandum SPM 8-502 of 7 January 1958  
(c) Memorandum PP/CAMD Executive Registry No. 10-1350 of 12 February 1958

1. As requested in paragraph 2 of reference (c), the amount of \$304,572 FY 1957 PP/AMD funds transferred to Project AQUATONE for the items listed in PP/CAMD Memorandum No. 9-3674 of 16 May 1957 was investigated with the following results.

2. The amount in question, \$29,380 for Three Channel Data Reduction Spares, was compared with the costs as set forth in present contract funding for these items (see "Present Funding" column of Reference (a)). As a result of this comparison, we found that Contractor's Fee of 8.25% had not been included in this amount. Therefore, the credit amount to be held for the PP Staff by the SAPC Project Comptroller is \$8,959.
